## BAR BILLARDS QUARTERLY

No. 11 (OCTOBER 93)

Issued by: Peter Farrelly, 46 Pratt Rd, Rushden, Northants, NN10 0EQ.

We are back to the old format for issue 11. Unfortunately, I have now taken on the dreaded job of Northants Secretary, giving me less time to devote entirely to the issue of the BBQ. Simon Tinto's commitments have slowed down the feedback and so I can no longer accept his very generous help in the printing of this publication. Perhaps I can take this opportunity of thanking him for his assistance over the last 18 months. Paul Brice is continuing his very important job of "copier", and long may it continue.

Reg Hall now attends most of the All-England tournaments, selling Pot Black magazines and the rest. Next time you get a chance, go and have a look at his table of goodies.

POT BLACK are continuing their superb coverage of all the events in our calendar, and I've had no complaints from Keith, Kevin, John and Bernie about their profiles which appeared in the September and October issues. Why do you not place a regular order at your newsagent, send off for an annual subscription, or even see Reg next time round.

Sussex continue to flatter me with their own issues of similar publications. Chris Tupper's "3BQ" in Brighton, was followed by "NSBQ" taking in the Horsham, Mid-Sussex and Billingshurst leagues, and now we have "Even Break" issued by Mark James and Tony Lewis in Worthing. If the whole country would follow suit, surely the number of unemployed people would nosedive.

**DEADLINE DATE FOR NEXT ISSUE.....DECEMBER 15th 1993**

Future deadlines would normally be end of March, June & mid-October.

After three series, Berks had 15 pts but had to sit out the 4th series. Bucks had 8 pts and a match in hand, so needed a big win over Kent to get back into contention. Kent and Oxford also had a match in hand with 6 pts each, and Hampshire looked favourites for relegation with 7 from their 3 games.

Bucks' 5-2 win over Kent took them to within two of Berks, but Hants still seemed doomed after losing 4-3 to Oxford.

Bucks required a 5-2 win over Berks for the title, so the wins by Paul Yeo and Mark Turner clinched the championship for Berks for the 6th time.

Bucks needed a win from Kent Murray in their last leg and also Keith Sheard OR sub Geoff Powell to lose their games in order for them to take the runners-up spot. All three results were stacked against Bucks and Oxford took 2nd place.

Hampshire players and supporters were cheering Geoff Powell in that last leg. Hubbard led 3470-1130 with about 5 minutes left, and that would have sent Hants back to Division Two. But that last 3830 break by Powell sent last year's champions crashing into the second division next year.

Surrey already just about had it clinched after three series, with 15 points. Northants had 9 with a match in hand, Sussex 8 and Cambridge 4. Somerset were happy from their 6 pts from 3 matches.

Sussex moved into 2nd place with a 4-3 win over Northants, and Somerset edged towards safety with a 4-3 victory over Cambridge.

Surrey needed only a 4-3 win over Northants to be sure of a return to Div 1. That was easy, and Sussex were runners-up when they beat Cambridge 6-1. Cambridge had needed to beat Sussex to stay in Division 2.

Last season's Div 3 champions Somerset had a great day and deserved to stay up.

Previous results 92: Wilts won 5-2

It was always very close, which is unusual for the third division.

Wilts were favourites after the first three series (left-hand column) with 9 pts, but S Yorks had 7 from their 2 games and Leics 5.

Leics then beat Wilts to throw it open, and also beat S Yorks to go 2 points clear at the end of their day. They had to hope S Yorks could beat Wilts 5-2 to take the overall result to count-back on scores. However, it was Wilts who won 5-2.

Kent won first match but then lost 4-3 to Sussex leaving them precariously one point ahead of Oxford and Sussex, and two ahead of Berks.

As Sussex took a 4-0 lead over Berks, Kent opened the same margin against Oxford.

At the same time as Bella Brackenridge and Sheelagh Green lost to Jill Josey and Myra Hawkins respectively, Jan Taylor beat Jenny Parsons to take Kent 2 pts ahead with only one to play, making amends for the men's team performance seven days earlier.

#### FINAL

B McCluskey (Berks) 10300 3770 beat S Taylor (Sussex) 1360 1060

#### HIGHEST BREAK

Pete Burton (Oxon) 16,730

Bernie's place in the final looked in doubt when he dropped the second leg of his match with Phil Buckle who then went on to beat Chris Saville 5-0. It was a sudden change of fortune for Chris who was the only player to come through the groups with a faultless record.

Phil was then hoping Chris could take one leg off Bernie to allow the Cambridge player to reach the final.....but it did not happen.

Sean Taylor continued his group form into the semifinal by taking his first match 5-0 against Pete Burton. Mark Turner looked well set to do the same until Pete scored a "noisy" 16,730 break on table 8, the best of the day by just 110. Young Sean, a quarter-finalist in the Under-22's last year, made certain when he took the first leg against Mark.

When Sean lost the toss in the final, he could only start the first leg with 1240, but Bernie only replied with 1700. After four fruitless visits, Sean could only watch as Bernie finally got to grips with the table.

His 8560 break in the last 11 minutes of the leg only gave Sean a shot at the 100 hole and a deficit of nearly 9000.

When Bernie only started the second leg with 2250, a glimmer of a chance for Sean showed through. But, unbelievably, he had another fifteen visits to the table during that leg, registering a top break of only 290. Let not these facts deter from Sean's performance; it was his biggest match ever against the man who has won everything and seen it all before.

The final was something of an anti-climax between the top two players in the country (arguably, but see page 1).

Kevin inserted the opposition but Keith lost his opening 2000 break when he rimmed out of the 100-hole. Kevin relentlessly did not give Keith another shot, to take his FIFTH open prize, and left Keith wondering if he will ever win ONE.

The players in positions 17 - 24 will be kept in reserve, and will be invited to take part if any of the top 16 decline the invitation.

If any players fail to arrive on the day (by 5.30 pm), the highest player in the list of those present will fill their place in the draw.
