STAR PERFORMANCES OF THIS QUARTER:

The **GOLDEN GRAPEFRUIT** goes to Les Green who came from 6,530 down with a 7,660 break to beat Steve Biggs in Jersey. A **JUICY PAIR** goes to Myra Hawkins for winning the All-England under such circumstances. A bitter **LEMON** to Steven Sheard who had a fantastic Alternative Rules, knocking out Les Green and Mark Brewster before narrowly losing to Kevin in the semi-final. But my very own ripe **CHERRY** is awarded to Janie Macoy for beating me and making me look like a right **PRUNE** in Jersey. Now can we please all forget about that experience....

DEADLINE FOR NEXT BBQ: MARCH 11th (B'MOUTH)

EDITORIALPETE SAYS.....

Well the BBQ is almost back on course. I sit here finishing it all off. 42 pages of it in all. It is now 1.30 a.m. and in 5½ hours we leave to go to Jersey for the International, but I was desperate to finish it, even if I did not go to bed. I shall have some copies ready for those in Jersey this weekend, but the rest will have to wait for their copies to be despatched from Lorin a.s.a.p. I have still had to cut short on the Despatches due to lack of space and time, but all the details from events from as far back as July are included. The full Rankings as at the start of this year and given on pages 34-39. All points gained in 1998 have been deleted from the End of 2000 list which is published on page 3.

I contacted a new "Cue Sports Magazine" but have received no reply yet so its probably not good news.

LADIES NATIONAL PAIRS VIII

FRENCHES CLUB, REDHILL, SURREY (SUNDAY 23rd JULY, 2000)

LAST YEAR: JILL JOSEY & MYRA HAWKINS BEAT SUE MARINER & GAIL WOODS

JAN and ALI "N" TEAM UP

Jan Taylor, for so long Britain's No.1 until slipping off the top recently, has won the Ladies Pairs for the first time, with ex-England team-mate Alison Norman.

They made an outstanding team and only lost one leg throughout the day, to Bella Stoner and Sheena Wood in the quarterfinals.

After a bit of a struggle against Pauline Withey and Jenny Abbott in the first round, their progress rarely looked in trouble, and completed the event with a 3-0 win against 1997 Champions Josie Hogan and Sally Mortimer in a one-sided final.

BUCKINGHAMSHIRE OPEN (INAUGURAL)

THE IRISH ASSOCIATION CLUB, HIGH WYCOMBE (SUNDAY 10th SEPTEMBER, 2000)

"GREECEY" LES SLIPS PAST JORDAN FOR "BIG BUCKS"

Now in his last full year before emigration to Greece, Les Green confirmed his status as "King of the Opens" by winning the inaugural Bucks Open final against "old codger" Ernie Jordan.

Les, now back up to No.2 in the rankings, produced a string of big breaks in EVERY round of the first big Bucks event:

First Round: Bye

Second Round: A 15,480 break in scores of 15,620 & 11,270 against Ian Morton (Bucks).

Third Round: An 11,580 break in scores of 3,290 & 11,580 against Bill Trinder (Berks) who had waited till 3.45 for his first match and then won the first leg by 2,200, only to find that he was knocked out too late to be allowed into the Plate.

Fourth Round: A 12,100 break in scores of 5,510 & 12,590 against Steven Sheard (Oxon) who had also led by 2,200 after the first leg.

Qtr-finals: A 12,040 break in scores of 1,770 & 12,260 against Tony Martin (Oxon) who had led by as much as 6,510 after the first leg.

Semi-finals: A 20,380 break had set Ray Hussey (Bucks) far too big a task for a second leg chase.

Final: Put in to take first break, Les started with 10,240 and then another 100 while Ernie was struggling with efforts of 50 and 10.

Les almost made certain of the title by speeding to another 9,350 break to finish off the first leg with a lead of 19,630.

Ernie produced a sedate 5,450 in the first six minutes. Les allowed him another go very quickly but he was now chasing over 14,000 in ten minutes.

Always a stern task for Ernie who made breaks of 2,390 and 2,050 before Les made another 7,650.

Ernie proceeded quietly into the final. When Leon Beer and Paul Wing failed to arrive, Ernie finally used his cue at 4.30, beating Dave Evans (Oxon) with a 10,400 break, Chris Newson, Terry Isard and Jon Bamsey to reach the final.

There was an unreal experience in the last 16 matches around 6.0 when Mark Sawyer lost to Tony Lewis (Sussex) by 800, Kevin Tunstall lost to Jon Bamsey, Mark Turner lost to Tony Martin and, "worst of all", Pete Farrelly lost to Ray Hussey.

At the same time, Les Green made himself hot favourite by battling back to beat young Sheardy.....all on adjacent tables.

Dino Clark (Wycombe) made the greatest rise up the rankings, jumping from 77 to 60 by reaching the last eight. He had opened his campaign long before a lot of players had arrived at the venue.

At 10.00 a.m. he had rallied from 4,700 down to beat Keith Sheard with an 11,380 break. Sheard recovered later to win the Plate Competition for early losers, beating Darren Isard in a one-leg final by starting with 13,800.

In all, a very successful first Bucks Open. Much of the thanks should be offered to Roz Piercey who sat on the desk all day, except when she agreed to replace Paul Sainsbury in the draw who could not play, and then saw Mark Turner bang a best-of-the-day 20,820 break past her.

Well done on the desk anyway, Roz!

COUNTY CHAMPIONSHIPS 2000

POST OFFICE S & S C, RICHFIELD AVE, READING (SUNDAY 24th SEPTEMBER 2000)

LAST YEAR: DIV 1 CH: KENT R.U.: OXFORD DIV 2 CH: NORTHANTS R.U.: SURREY

OXFORD STORM HOME but NORTHANTS TAKE DROP AGAIN and BERKS STAY IN DIV 2 as SURREY GO UP

The headline sums it all up nicely.

Oxfordshire were on course for their fourth County Championship, and their third in four years, once they had started with a 6-1 thrashing of holders Kent.

Although they lost the next game, 4-3 to Bucks, wins over Sussex (4-3) and Northants (7-0) gave them a two point cushion over runners-up Sussex.

Sussex won all their other games 5-2 to finish two points up on Bucks, and seven up on Kent, with Northants a further six points adrift.

The only thing "certain" at the start of the championship was that Northants were long odds-on to go back down to the Second Division as they have each time they have won promotion in the past.

And this year, without their two England players for various reasons, [Steve Biggs remains top class but was not selected because he does not play regularly every week; Pete Farrelly withdrew in protest], they were always under the cosh, especially so because their league season had not even started and more than one of their players had not held a cue in anger since April or May.

The local press report stated that they were "a young-looking and inexperienced team" but there was in fact only one new player to the scene, Damien Coates.

Damien is a very promising youngster and, with the right guidance and encouragement, could do well in ALL competitions, even the Opens if only he took the opportunity to enter some.

Although he lost all his games here, with an average of just 1850, your BBQ editor tips him as one to watch, IF he gives himself a chance.

Chris Lawman (two pretty good scores) and Andy Chambers (one) chipped in, but only Simon Coleman and the usually-dependable Penny Burch produced any more victories.

It was a sad day for your Editor's home County who had struggled so hard to achieve first division status last year, now all undone so quickly. Tragic!

And they will have to face Berkshire in the second division in 2001. Hot favourites to return to the top flight swiftly, they ended level on points with Surrey, but two wins out of four was hardly material of which promotion is made.

They beat Hampshire 6-1 both times, but lost BOTH games against Surrey, who fielded two Ladies in their team. Yes, they were two top ladies (Josie Hogan and Gail Woods) but who would have thought that Berkshire would have to stay down for another season.

It all boiled down to the final games. Surrey were already 4-1 up on Berks but, due to the complicated new format, Surrey were also playing Hampshire at the same time.

Simon Tinto completed a 4-3 win in the latter, leaving Berks needing both final legs from the Surrey clash to pip them. Tony Walsh completed his 100% day with a 14,960 win over Josie Hogan, but Gail Woods did enough to beat Paul Sainsbury 11,060 - 560.

It was a good day for the girls, with FIVE taking part in the County Championships, surely a record. Sue Mariner was amongst three players unbeaten in the first division, the others being Dennis Atkins and Barry Holt, the latter being the biggest surprise package of the day.

Oxford also wrapped up the best break, via Keith Sheard, for a change, 20,230 against Penny Burch, and four of the top five in the first division averages, a little different to the struggling Northants team. They had six of their players in the bottom 11.

LADIES COUNTY CHAMPIONSHIPS 2000

POST OFFICE S & SC, RICHFIELD AVENUE, READING (SUNDAY 2nd OCTOBER 2000)

LAST YEAR: DIV 1: CH: SURREY R.U.: BERKS DIV 2: CH: SUSSEX R.U.: HANTS

SURREY RETAIN TITLE WITH EASE

Four 4-1 wins from six matches enabled Surrey to take the title back to their base, with Kent losing out by 4 pts after achieving four 3-2 wins.

Once Surrey had beaten Sussex A, Kent A and Berkshire by such resounding margins, they found themselves easing off the accelerator, losing their second matches against Sussex and Kent, but completing a fine double over the powerful Berkshire side who were destined to be relegated after only one victory during the day, over Kent A.

Kent sneaked the runners-up spot but only by virtue of recording four wins during the day while Sussex had just three.

Oxford A had a grasp on the second division title from the start. Although they could only beat Kent B 3-2, three more 4-1 wins took them four points clear of their own B team at the final analysis.

No player remained unbeaten in the first division but Jane Wood, Sue Leach and Pauline Withey (Oxford A) and Sandra Tebby (Oxford B) all won four from four in the lower flight.

Captain Pauline Withey headed the averages overall, closely followed by her former England team-mates Denise Wills and Jean Over.

Jan Taylor took the prize for best break in Div 1 (5,570 v Sue Redmond) but Pauline's 7,660 against Ruth Collett was the best overall, albeit in Div 2.

ALTERNATIVE RULES CHAMPIONSHIPS 2000

POST OFFICE S & SC, RICHFIELD AVENUE, READING (SUNDAY 9th OCTOBER 2000)

LAST YEAR: KEVIN TUNSTALL beat RAY HUSSEY

*ANOTHER ONE for K T but BARRY HOLT
and STEVEN SHEARD STEAL THE SHOW*

Kevin Tunstall has won another Alternative Rules competition [that's the one where the rules were changed to give the rest of us a chance].

Kevin won every leg in his first four matches beating Bill Graham, Chris Newson, Dennis Atkins and Tony Webster easily but then found himself under various types of pressure when he lost the first leg of the semi-final to 14-year-old Steven Sheard.

The difference was only 130 but he stormed into the final with a 2,310 - 890 second leg victory. The final was VERY tight with Kevin winning the first leg by 490 and then looking nervous as Barry Holt closed to within 50 by the end.

Barry had beaten Tony Woolvin, Pete Farrelly (luckily!), Terry Gary and Phil Hawkins on the way to the final, but what about young Steven's string of successes.

He beat Ann Green and Janet Burns but also two really big names hoping to take the title themselves: Mark Brewster and Les Green.

Mark had made the best break of the day, 2,620, in the first round against Alan Chaloner. It was a truly remarkable break making 27 consecutive identical shots into the 30 hole off a single ball in the top right hand corner. *Amazingly interesting to watch!*

WORLD CHAMPIONSHIPS I

& BRITISH ISLES OPEN CHAMPIONSHIPS XX

HOTEL de NORMANDIE, JERSEY (SATURDAY/SUNDAY 11th & 12th NOVEMBER 2000)

LAST YEAR: PETER NOEL (JERSEY) beat TERRY RACE (SUSSEX)

The "Mercurial" McCLUSKEY

BECOMES FIRST WORLD

CHAMPION 15 YEARS ON...

Bernie McCluskey, who gets more and more like Freddie Mercury every day, became the Queen (sorry, King) of the World when he beat BOB KING on the stage of the Hotel De Normandie, all of 15 years after becoming the first English winner of the British Open.

Bernie won the All-England Individuals FOUR times between 1978 and 1990.....what other Sports could boast a World Champion who has been at the top of the game for some 22 years?

The final was played on the stage of the hotel ballroom for the first time, a space usually reserved for the presentations and the now defunct "Spoon" Challenge.

But this was serious..... Bernie asked Bob to break in the archetypal British Open final between an Englishman and a Jerseyman, but with added interest as this was billed as the first ever World Championship.

Many local onlookers actually thought this would be one of the great finals, but those who knew Bernie expected him to win fairly easily.....

Bob started off with only 1,270 to which Bernie had no initial reply. Bob made another 130 before Bernie started slowly with just 670.

Bob settled into the game with a good 3,290 break but this only sparked Bernie into gear. He made a fine 5,190 to the bar, allowing Bob to add 180 to his tally in two brief visits.

So 990 was Bernie's lead, and he had his break to come in the second leg. Some thought that he may even clinch it in one go, but not quite. A 3,260 break put enough pressure on Bob to make him miss, and Bernie added another 3,210 to clinch the biggest prize in the game.

Bernie has had many great performances in Jersey over the years, but his recent form would not have given his supporters a lot of heart, but he produced a string of fine scores throughout the event.

A 6,350 break in his first match against Jenny Noel set the tone, and that continued into the second day. His first hurdle was Harry Barbet but Bernie won by 4,000. Another 6,950 break saw him into the "sheet final" where he scored 9,010 and 5,540 against Mick Fairs.

He was dead and buried in the last 16 clash with 1998 winner Keith Sheard, 3,370 - 230 down from the first leg, but 10,460 in the second took him into the last eight.

A surprise package, Richard Deadman, waited for him but did not give him any palpitations, but then Nigel Ryall was next. Bernie made 11,210 in the first leg after being put in first and that proved sufficient for the Tables Manager.

Bob King had earned his place in his first big final, beating Myra Hawkins and two top Guernsey players early on, then Barry Holt who had another fine tournament and will now be hoping for a place in February's International.

Bob then had a narrow win over regular prizewinner Peter O'Brien to give him a

shot at KT. As England supporters rubbed their hands at the prospect of an ultimate clash between the game's all-time best two players, something went wrong!

Kevin only managed 690 despite having first break, and Bob responded with a 10,850 break. Kevin simply could not repair the damage in the second leg.

The other quarter-finals produced "International" clashes of sorts. Scotland's Lorin Clough, who had beaten Keith Lewendon earlier, went down to Ryall, and now is rumoured to be planning to wear traditional costume at the Grand Prix Finals. In his last Jersey trip before he emigrates to Greece, Les Green started off his match with a 13,310 break only to have to stand by and watch KT make a 16,560 reply.

Kevin's succession of scores seemed to be pointing him towards a third Open title. Round 2: 11,260 (9,030 break), Round 3: 15,520 (7,200 and 8,320/breaks against Dennis Helleur), Round 4: 11,580 (10,430 break against Dino Clark), Round 5: 9,450 and 10,380 against Norman Wilkinson, and Round 6: 6,410 and 11,200 against Graeme Le Monnier.

In the same section of the draw, Graham Bisson beat Steve Mariner in the opening match but then lost out to Dino Clark. Also holder Peter Noel (70) won a veterans' clash with Charlie Gildersleve (73) but then lost to Alan Ferrand.

1999 runner-up Terry Race also fell early, going down to Mark Brewster in another section dominated by "veterans". Ernie Jordan beat Don Cadec in the sheet final.

One of the biggest shocks was Paul Sainsbury's defeat at the hands of Dave Stemp, not to mention Pete Farrelly losing to Janie Macoy.

I SAID NOT TO MENTION PETE FARRELLY LOSING TO JANIE MACOY!!!

One of the best matches ever seen in the early rounds was Les Green's great comeback to beat Steve Biggs in round 3. Biggs had started with 6,530 but Green was up for it and replied with 7,660.

It gave Steve a place in the TOP GUN event for the highest scoring losers in each round, but he hardly got a shot as Mark Brewster fired in breaks of 5,250 and 9,070.

Brewster also beat Vince Watts and then Barry Holt in a two-leg final.

During the weekend, an executive meeting decided that there could be either an earlier introduction to two-leg games next year OR a Plate for early losers, OR both.

Steven Sheard won the Junior event again. Surely this will not become interesting until he is allowed into the main event and the young lions can fight it out without him.

Come on Jersey, let him in.....WHO WOULD KNOW?

NATIONAL TEAM CHAMPIONSHIPS XXVIII

POST OFFICE S & SC, READING

(SUNDAY 19th NOVEMBER 2,000)

LAST YEAR: CHEQUERS, DORCHESTER, OXON beat DOWNVIEW, WORTHING, SUSSEX

SKIPPER KEVIN NOT EVEN REQUIRED AS CHEQUERS RETAIN THE TEAM TITLE

The county of OXFORDSHIRE have won the National Team Championship for the third time in a row, equalling the record of Sussex in the previous three years.

In the final, they won 3 out of the first four legs, drawing the other, and so 5th man Kevin Tunstall was not needed. Tony Martin, Kevin Godfrey, Mark Turner and Stuart Florey averaged over 8,000 points to make Kevin's wait a needless one.

He would have been facing in-form Barry Holt.

In their group, they JUST qualified when Kevin beat Jack Lockyer from Hampshire's Langstone Harbour Fisherman's Club (Portsmouth), after the Oxford side had trailed 2-0, and only holding off a strong challenge from the star-studded Good Intent, Rochester.

Swan, Worthing, won the other group but it was close throughout. The Sussex boys opened with a 4-1 win over Northants Champions Compasses and followed that with a 3-2 victory over the RAFA Club, but then faltered to a 3-2 defeat to the Ship which gave Compasses fresh heart.

Farrelly's side, someone said, seemed stronger than the Northants County side put out a few weeks earlier, and they fought back with a sound win over the Ship and then powered to a 4-0 lead over RAFA, leaving "only" Steve Biggs to complete a fine day.

He had scored 15,010 and 10,600 in his first two games, and only needed to win to take them through to the final, but lost his opening break and had to stand by and watch the very experienced Terry Gray total 12,020 against him.

ALL-ENGLAND LADIES INDIV^{XXVII}

POST OFFICE S & SC, READING

(SUNDAY 19th NOVEMBER 2000)

LAST YEAR: KIM BEECHING (SUSSEX) beat MYRA HAWKINS (BERKS)

MYRA DEFEATS HER OWN EMOTIONS and PARTNER PENNY for her SECOND AE

Myra Hawkins proved her supporters were right in backing her throughout all her problems in recent months by staying strong throughout her group and producing a top class performance in the final to beat Pairs partner Penny Burch and capture the title she first won nine years earlier.

The emotions of the occasion finally showed once Myra was pronounced the winner of the Ladies All-England, a very well deserved title for the lady still determined to stick to her decision to withdraw from the England side, and also from the Selection panel.

Her opponent was Penny Burch, long term ally in the Reading Ladies team but now playing in Northants. A 4,800 break gave Myra a telling 8,750 - 520 first leg lead and Penny, despite firing on all cylinders, could not quite catch up the deficit.

Both had battled through tough groups to qualify for the final. Myra had been expected to beat Chris Willis, a late Sussex replacement for the no show Bella Stoner, but continued her 100% run with 5-0 demolitions of Jan Taylor (5 times winner in the last 8 years) and Josie Hogan.

She beat the highly-ranked players with breaks of 5,650, 4,500 and 8,060.

Penny certainly had a easier-looking group, but dropped legs against Jane Wood and Rosie Higham, leaving her requiring maximum points against Denise Parcell to pip Jane. Although the first leg was easy, the second was only won by 520 as Jane looked on nervously.....and was disappointed.

He still averaged 9,829 during his five matches, all his opponents being potential winners, Tony Martin, Dave Neilan, Gray, Keith Lewendon and Geoff Pitt.

At least, looking at Chris, you actually believe he IS FIFTY, so we don't need to check his birth certificate.

GRAND PRIX MASTERS VIII

POST OFFICE S & SC, READING

(SUNDAY, 26th NOVEMBER, 2000)

LAST YEAR: MARK TURNER beat KEVIN TUNSTALL

IT'S KEITH THE MASTER*Keith Sheard produced a powerful display to*

capture the Grand Prix title for the first time.

Keith scored breaks of 13,500, 14,210 and 14,630 in his first three legs and never looked back.....right through to the final against old adversary Kevin Tunstall.

Kevin powered to 10,000 in only 7 mins 45 secs but messed it up at 12,500, made in just under 10 mins. Keith pinned his first 40 but Kevin only made 50 and 80 in two more visits. Keith missed again and his chances seemed to be diminishing as Kevin made another 5,820 to the end, setting Keith a target of 18,450 in 16 mins 50 secs.

The few minutes of messing about was the ultimate problem for Kevin as it gave Keith the chance of ambling by his only standards.

Although the 10,000 was reached in a full minute MORE than KT had taken, Keith eased on and on, making 20,050 with consummate ease.

Keith had beaten Gary Johnson with two big breaks and then posted a 14,630 break in a 19,630 score against Mark Sawyer. The estate agent, now living in London, only made 18,900 in reply with time to spare, but made a mistake.

Sheardy lowered the tempo in the semi-finals against Geoff Jukes who had just ousted Les Green.

Tony Lewis was the surprise package of the day. He came in as reserve but beat holder Mark Turner easily in the first round and Phil Hawkins (who beat Farrelly) in the second without breaking sweat. Kevin T proved too strong though.

Graham Bisson and Bob King could not accept the invitation, so Dawn Flattery and Diana Welburn BOTH came into the draw. As they had equal records during the year, they tossed for choice of positions. Di CHOSE to play Kevin as she did not want to play Les (?).

Tony Lewis came in as reserve as Bernie McCluskey had other plans.

BAR BILLIARDS IN THE MEDIA

Our game and its players have been having prolific media coverage in recent weeks. Keith MacDonald, our Honorary Treasurer, was first of our big names to appear on the Channel 4 afternoon quiz show FIFTEEN-TO-ONE. He started well, knowing BOTH of the answers to his questions in round one: (1) The sacred river of Hindus? Yes, Ganges. (2) The long-running series of films directed by Gerry Thomas and produced by Peter Rogers? Yes, The Carry-ons. Well done Keith! Six were already eliminated and he was the only player with all three lives in tact. Sadly, Keith then associated John Constable with Norwich Cathedral instead of Salisbury, and then he did not know what M.A.D. stood for on the subject of the nuclear balance between USA and USSR. Everyone knows that it is "Mutually Assured Destruction" didn't we (???). We will excuse you for that Keith, but how come you did not know what substance was obtained by heating sand, sodium carbonate and lime. GLASS, Keith, GLASS!!!! He was the 11th to sit down, unfortunate really as only 12 go before the final. Well done for having a go, anyway.

But more recently, you may have seen Simon Millward, a postman from Northampton. He reached the final, but came up against a big scorer who had been a previous winner. The little old lady whose name escapes me is looking like being top of the finals board again. But within two weeks, Simon's name appeared in THE SUN, on a completely different subject.

He plays for a second division side in Northampton, but was unable to play his next shot due to hysterical laughter when playing Aileen Dunne. Aileen, known to most of us from the Northants Ladies team, had her teeth fall out during the match and fly across the room. Aileen won the game.

Way back in July, Charlie Wheeler tells me that a BAR BILLIARDS TABLE was a "prize" on the "PRICE IS RIGHT". Pity I missed that, I was in Canada at the time.

Charlie is also writing a column in Freetime Focus, a local publication in Reading.

NEWS FROM THE ANNUAL GENERAL MEETING 2000

THE FOLLOWING PLAYERS WERE SELECTED FOR THE ENGLAND MATCH IN FEB:

Res: 1st Paul Sainsbury (Berks), 2nd Geoff Jukes (Surrey), 3rd Steve Mariner (Sussex). The captain was left unconfirmed. Steve Mariner had been asked by telephone to fulfil the post, and had requested time to consider. Kevin Tunstall was later re-instated as captain.

LADIES: Pauline Withey (Oxon, capt), Gail Woods (Surrey), Sue Mariner (Sussex), Kim Beeching (Sussex), Jan Taylor (Kent).

Res: 1st Jean Over (Sussex), 2nd Josie Hogan (Surrey), 3rd Jane Wood (Oxon)

Both Myra Hawkins and Penny Burch had declared themselves unavailable.

PROPOSALS APPROVED

(1) Anyone qualifying for the Grand Prix finals AND the Over-50's (if these continue to be played on the same day) be only allowed to enter one.

(2) The entry time (normally scheduled for 11.30) be strictly adhered to, and any late comers should be disqualified.

It was agreed that some dispensation should be allowed if someone has phoned in to say they have been delayed in traffic, but would apply to ALL All-England events, so, unless stated otherwise, all players (or captains, in the case of team events) MUST register between 11.0 and 11.30 to avoid disqualification, and the starting time of NOON would not even be published.

Dave and Pete's mobile numbers would be denoted on all correspondence for the purpose of phoning in, but this facility would not be allowed to be taken advantage of too often.

(3) The ALL-ENGLAND rules and conditions of play to be re-written by a nominated group who would be asked to get together (possibly at Bournemouth) and then produce the new set in time for approval at the next AGM.

(4) Highest combined break in British Open Pairs to be discontinued, replaced by a Special Meritorious Award, to be decided by the Organising Committee.
