

# BAR BILLIARDS QUARTERLY

No.6 - JULY 1992

*Edited by: Peter Farrelly, 46 Pratt Road, Rushden, Northants, NN10 0EQ. 0933-57023*

*Assistants: Simon Tinto and Paul Brice.*

Six quarters old already - doesn't time fly when you're having fun . . . . .

I still don't quite believe that, despite many requests, I've only received a list of league winners from three associations including my own. What more can I do? This is the time of year when all leagues have been completed and I expected a great deal more information from you. The ball is in your court.

Please also inform ME of any changes in County Secretary or their addresses. I have been sending every previous BBQ to the last known address of Peter Chadwick. Not only do I now find out he's moved, but also he's not even the Leicester Secretary any more. BBQ can only work with more input and better liaison from you.

Chris Newson, organiser of the Wessex Open, tells me that he has not yet received many entries for this year's event (Saturday 17th October) and believes that the main problem is lack of communication from County Secretaries with their multitude of players. This was a smashing event last year (well I enjoyed it) and if I can win it . . . . . anybody can. So come on - let them all know and get your entries in.

Subscription to the BBQ is £3 per year, starting from issue No 5, but free to all County Secretaries . . . probably because they're so hard up posting all their other information around. Anyone else want details direct from me? Send a £3 cheque payable to me.

#### Reflections Of The Final

Kent Murray must have known he had blown his chance once he had opened the first leg with only 2600. Holder Kevin Tunstall replied with 16850 and then opened the second leg with exactly 7000. Kent Murray consoled himself with a meaningless 12340 break to finish off.

Ernie Jordan, not previously known for being fast enough to chase over 22000, just failed to take third place from Steve Searle who had scored his third break of over 20000 in one day, equal to Kevin's performance.

#### Previous Finals

- 1989 - John Burrows (17410/7560) beat Keith Sheard (1040/4500)
- 1990 - Bernie McCluskey (21570/100) beat Peter Farrelly (0/21510)
- 1991 - Kevin Tunstall (18840/70) beat Mick Lingham (0/17250)

## ALL ENGLAND INDIVIDUAL FINALS

**Keith Sheard (Oxon) 20990 & 300 beat Bernie McCluskey (Berks) 0 & 12390**

Keith played the table out in the first leg, but Bernie only opened with 3950 in the second. Keith only replied with 200 and, although Bernie scored another 7790 break, he was always behind the clock and later lost another 3500 effort.

**Jan Taylor (Kent) 8530 & 850 beat Chris Toner (Hants) 1650 & 7370**

A 4910 opener by Jan looked to have sealed the match quickly. Chris rallied in the second leg with a 5080 initial break, but then neither player scored heavily enough to clinch the match easily. Chris almost reached Jan's scores in the dying seconds but just failed to get the break back and missed a shot with the ball hanging over the left-hand 30 to seal her fate.

#### NEWS FROM THE INTER-AREA ASSOCIATION

##### INTER-AREA CUP - QUARTER-FINALS

To be played home and away by July 19th

Reading "A" v Witney "A"; Portsmouth "A" v Wallingford "A"

Wycombe "A" v Oxford "A"; Newbury "A" v Northampton "A"

Highest break so far: K. Tunstall 20300

Northants have been threatened with elimination from the Inter-Area Association following their Committee's decision not to play Portsmouth in the Inter-Area Cup competition. They believe Portsmouth are outside the boundaries of the Association, thus treading on delicate toes owned by the Southern Counties Association. The possibility of an Extraordinary General Meeting is being discussed.
